## Suncorp closes Capital Notes Offer raising A\$375 million

---

Suncorp Group Limited (Suncorp) today announced it has completed the Capital Notes offer (the Offer), raising \$375 million through the issue of 3,750,000 Capital Notes for \$100 each.

Following strong investor demand, the size of the Offer has been increased from \$300 million to \$375 million. Suncorp allocated \$300 million on a firm basis under the Broker Firm Offer and Institutional Offer and allocated \$75 million under the Securityholder Offer.

Suncorp has also confirmed the allocation policy applicable to the Offer and the Distribution Rate applicable to the first Distribution in respect of the Capital Notes, which is expected to be paid on 18 September 2017.

### Allocation policy

Due to the large volume of Applications received under the Securityholder Offer, it has not been possible to allocate all Securityholder Offer Applicants the full amount of Capital Notes for which they applied. All valid Applications for an amount of \$300,000 or less received under the Securityholder Offer have been accepted in full. Applications for an amount of more than \$300,000 received under the Securityholder Offer have been allocated \$300,000 and 28.5% of additional amounts applied for above \$300,000, rounded down to the next whole Capital Note. Applicants under the Securityholder Offer can confirm their allocation by calling the Suncorp Capital Notes Offer Information Line (details below).

Applicants under the Broker Firm Offer can confirm their allocation with their broker or by calling the Suncorp Capital Notes Offer Information Line (details below).

Allocations to Syndicate Brokers and Institutional Investors were determined under the Bookbuild completed on 28 March 2017.

An advertisement regarding the basis of allocation of Capital Notes will be published on 8 May 2017 in *The Australian* and *The Australian Financial Review*. A copy of the advertisement is attached to this announcement.

### Trading on ASX

The Capital Notes were issued today, 5 May 2017, and are expected to begin trading on a deferred settlement basis on the Australian Securities Exchange (ASX) at approximately 10.00am (Sydney time) on 8 May 2017 under the ASX code "SUNPF". Trading on a normal T+2 settlement basis is expected to commence on 11 May 2017.
